

zał. Nr 3.13

The technical drawing illustrates a road cross-section with various layers and dimensions. The top part shows horizontal dimensions in meters: 0,08, 2,10, 5,10, 3,00, 12,90, 8,00, 4,90, 0,20, and 4,70. Below these are vertical dimensions: 1,82, 0,2, 3,00, 4,00, 4,00, and 4,70. The bottom part shows the road profile with a 2,0% slope indicated by arrows. Key points are labeled with circled numbers: 2, 1a, 5, 5, and 5. A blue dimension line indicates a width of 4 units. The drawing also includes a dashed line representing the centerline and a solid line representing the road edge.
